CTH Staff Representative: Gregg Mangan

Meeting Notes:

The meeting began at 10:55 a.m.

Stephen Armstrong will act as Chair for the Education Subcommittee.

Nicolas will act as the Education Subcommittee's Youth Council representative.

Core Charge

The Education Subcommittee sees its core charge as creating awareness of America 250 among educators, museums, and libraries and developing educational resources that towns and schools can use for educational outreach. This work can support the Organizational Outreach Subcommittee as they work to engage towns, historical societies, etc.

Audience

The Education Subcommittee defined its audience as educators, museums, libraries, K-12 students, college students, and the public.

Recruitment

The Education Subcommittee will consist of approximately 20 members.

Education Subcommittee members discussed potential Education Subcommittee members. People working in public history, libraries, museums, on DEI in education, and up to two students are being considered.

Meeting Frequency

The Education Subcommittee agreed to monthly. Specific dates TBD.
