Agenda

1. Goals for Today
2. Breakout Groups
 - a. Resources and Content Creation
 - i. Our goal is to create a section of the 250th website to bring together a variety of resources (curriculum tied to the social studies standards, primary sources, and field trips/outreach programs) for teachers and other educators.
 - ii. Review resources collected last meeting
 - iii. How can we connect these resources to the [social studies standards](#) in a way that is helpful for teachers?
 - iv. What gaps exist in the resources that have been shared so far?
 - b. Outreach
 - i. How do we get the resources and content that is being created to teachers?
 - ii. How do we share these resources with museums, primarily those serving students?
 - c. Higher Education
 - i. Overview of campus compact
 - ii. How can we tie in higher education to the goals of the commission, whether that is the [four themes](#) or connecting professors/students to resources and organizations working on the 250th?
3. Report Back
 - a. Does your working group need more information from one of the other groups to be successful?
 - b. What challenges do you foresee as move forward?
