

TWO LIGHTS FOR TOMORROW

APRIL 18-19, 2025

A CALL TO ACTION

Two Lights for Tomorrow is a nationwide initiative to commence the commemoration of the 250th anniversary of the United States' founding. The famous ride of Paul Revere occurred overnight on April 18 – 19, 1775. Two Lights for Tomorrow commemorates that famous ride and uses its imagery as a uniting call to action for our citizens to celebrate and serve.

NATIONWIDE EFFORTS

Commissions across the country are calling on statehouses to display two lights on April 18, 2025. A light shining out in the darkness matters today as much as it did during the Midnight Ride.

On April 19, 2025, states are promoting a day of service. The possibilities for service can be tailored to the needs of each state's residents and in partnership with service organizations.

CONNECTICUT EFFORTS

In Connecticut, we encourage community centers, municipal administrative buildings, museums, cultural centers, private residences, and any other organization that wishes to participate to display 2 lights on the night of Friday, April 18.

On Saturday, April 19, we encourage towns and organizations to plan service projects that will allow the community to come together *For the Common Good*. Some project ideas include:

- Planting flowers or community gardens in public spaces
- Neighborhood clean-up or simple maintenance project (i.e., painting a fence)
- Holding a food & supply drive for a local food pantry
- Writing notes for residents of local care facilities

We will publicize a listing of all municipalities and organizations who choose to participate. Please use the QR code or [this link](#) to let us know you're in!
