

## 250 HOURS OF LOCAL GIVING

*Give 250 Connecticut* will allow Connecticut residents, organizations, and towns to participate in a 250 hour give-a-thon for local 250<sup>th</sup> events, from 8 AM on July 1, 2025 through 6 PM on July 11, 2025.

This one-time event will raise funds for local committee initiatives commemorating the 250<sup>th</sup> anniversary of the signing of the Declaration of Independence. All 169 of Connecticut's municipalities will be invited to participate to generate donations for 250<sup>th</sup> work across the state.

Sponsors will be critical to the success of *Give 250 Connecticut*, providing **CASH PRIZES** to participating towns. Throughout the giving event, local committees will compete for cash prizes donated by sponsors – adding incentives for donors to give during the campaign and essential bonus funds. We can work with you to tailor those funds towards a particular region in the state or a particular time of day.
