

AMERICA 250

CONNECTICUT

In 2026, the United States will commemorate the 250th anniversary of the signing of the Declaration of Independence and the founding of the country. It is an opportunity for reflection on the ideals of the nation's founders and a time to consider the path forward in expanding our realization of those ideals today.

The America 250 | CT Commission hopes that all Connecticut residents to see themselves as part of the commemoration through the four themes:

Tell Inclusive Stories

For the Common Good

Power of Place

Doing History

**Let us know in one word:
How do you wish to feel after the 250th?**
